

Republic of the Philippines  
**Department of Education**  
REGIONAL OFFICE IX, ZAMBOANGA PENINSULA

Office of the Regional Director

September 26, 2025

**REGIONAL MEMORANDUM**

No. 519, s. 2025

**REITERATION OF THE MODERNIZATION PLAN FOR THE  
NATIONAL ASSESSMENT SYSTEMS FOR BASIC  
EDUCATION (NASBE) PROGRAM**

TO: Schools Division Superintendents  
Assistant School Division Superintendents  
Functional Division Chiefs  
Public Schools District Supervisors  
Public and Private School Heads  
Region/ Division Testing Coordinators  
All Others Concerned  
This Office

1. Attached are the Modernization Plan for the National Assessment Systems for Basic Education (NASBE) Program and the Regional Budget Allocations from Bureau Education Assessment (BEA), Education Assessment Division (EAD), signed and approved by Kevin Karl P. Santos, PhD., Director IV.
2. The NASBE Modernization Plan aims to address the Bureau's pressing concern regarding the delayed release of the national assessment results, particularly to the DepEd field offices. Relative to this modernization plan, ICT equipment like the hardware scanner with Optical Mark Recognition (OMR) Software and a Desktop Computer will be procured.
3. A provision of capacity building and training-workshop will also be provided to both RO and SDO on how to utilize the Hardware Scanner with OMR Software installed on desktop computers. This training will be offered by the winning service provider and co-facilitated by the Central Office.
4. In line with this, the Regional Office will take the lead in the procurement of the ICT equipment to be distributed to the Schools Division Offices. The allocation of the NABSE ICT equipment per SDO shall be based on the cluster category designed by the Education Assessment Division, Central Office. Below are the appropriations of the ICT equipment per Schools Division Offices:

Region / SDOs	Hardware Scanner with	Desktop Computers

Republic of the Philippines  
**Department of Education**  
**BUREAU OF EDUCATION ASSESSMENT**

**Modernization Plan for the National Assessment Systems  
for Basic Education (NASBE) Programs**

**Introduction**

The mandate of the Bureau of Education Assessment (BEA) is to develop and manage a harmonized and standardized assessment mechanism for student learning outcomes, teacher effectiveness, leadership and management competencies, and education system efficiency and effectiveness. BEA also provides policy recommendations based on assessment results and research to enhance curriculum, learning delivery, teacher quality, and education management, thereby improving the quality of basic education.

The Bureau comprises two divisions: the Education Assessment Division (EAD) and the Education Research Division (ERD). ERD is responsible for conducting research based on the results of the national assessment programs. EAD, on the other hand, is responsible for developing, managing, and implementing assessments for students, teachers, and school leaders at the national level. The national assessment encompasses 17 DepEd Regional Offices (ROs), 228 Schools Division Offices (SDOs), and 119,348 schools, with an estimated total of 8,404,010 examinees across the country.

**Assessment Practices**

The Bureau typically contracts service providers for the following Lots:

Lot	Activity
1	Printing of Test Booklets (TBs) and Non-Classified Materials (NCMs)
2	Printing of Scannable Answer Sheets (SASs) and School Headers (SH) and processing assessment results, which involves designing and printing SASs and SH, batching, sorting, processing, and generating statistical data outputs, and printing of Certificates of Rating (CORs)
3	Delivery and retrieval of Test Materials (TMs) (Test Booklets, Scannable Answer Sheet, School Header, and Non-Classified Materials) from the 17 DepEd ROs.

**Logistical Issues and Concerns:** The retrieval of TMs from the field offices can be time-consuming, particularly when some SDOs have not completed their accounting of test materials. At times, Division Testing Coordinators (DTCs) or their authorized representative may be unreachable by the service provider, or delays may occur due to acts of nature, such as typhoons, earthquakes, and high heat indices, which could lead to the suspension of classes.

These logistical issues and concerns have a significant impact on the release of assessment results to the field offices. The delayed release of assessment results

Republic of the Philippines  
**Department of Education**  
**BUREAU OF EDUCATION ASSESSMENT**

prevents the field offices from developing learning interventions to address learners' academic weaknesses.

### **NASBE Modernization Plan**

The NASBE Modernization Plan aims to address the Bureau's pressing concern regarding delayed release of national assessment results, particularly to the DepEd field offices (e.g., 16 ROs and 217 SDOs). The Decentralization of Digitized Assessment Package for the NASBE Modernization Plan includes the following: Hardware Scanner with Optical Mark Recognition (OMR) Software, and Desktop Computer.

With the NASBE Modernization Plan, the harvesting or gathering of learners' responses from the SAS will be decentralized. This means that the designated assessment staff, in collaboration with the ICT staff within the RO or SDO, will complete the preliminary tasks of data management, such as sorting, batching, scanning of the SAS, and data cleaning. After completing the preliminary tasks, the processed raw responses shall be submitted to the Bureau for processing and generation of assessment results at the national level.

### **Allocation and Estimated Cost per Unit**

The allocation of the digitized assessment package per SDO shall be based on the cluster category designed by the Education Assessment Division. The estimated unit cost shall be based on the market study completed in January 2025.

#### **Attachment 1. School Division Office Cluster Category**

<b>Cluster</b>	<b>No. of Examinees based on the 2023 NATG12 Administration</b>	<b>Hardware Scanner with OMR Software</b>	<b>Desktop Computers</b>
<b>1</b>	10,001 and above	3	3
<b>2</b>	5,001 to 10,000	2	2
<b>3</b>	5,000 and below	1	1

#### **Attachment 2. Estimated Cost per Unit (based on Attachment 3. Market Study dated January 2025)**

<b>Particulars</b>	<b>Minimum Specifications</b>	<b>Unit Cost</b>
<b>Hardware Scanner with OMR Software</b>	See attached Technical Specifications for Item 1	PHP 625,000.00
<b>Desktop Computers</b>	See attached Technical Specifications for Item 2	PHP 245,000.00

**Republic of the Philippines**  
**Department of Education**  
**BUREAU OF EDUCATION ASSESSMENT**

**Allocation of Digitized Assessment Package per Region**

The allocation of digitized assessment package per region is determined by its population size using the same category. However, the National Capital Region has an allocation greater than the number indicated below since it includes the allocation for the Central Office.

Cluster	Hardware Scanner with OMR software	Desktop Computers
CO-BEA	2	2
1	2	2
2	1	1
3	1	1

**Capacity Building for the Assessment Technical Working Group (TWG) Members from the Regional and Division Offices**

The ROs and SDOs shall create a Technical Working Group (TWG) to lead and co-lead the completion of the data management preliminary tasks such as sorting, batching, scanning, and data cleaning, prior to submission to BEA for consolidation, processing of data, and generation of assessment results at the national level.

TWG members will be given a capacity-building and training workshop on how to utilize the Hardware Scanner with OMR Software installed on desktop computers. This training will be offered by the winning service provider and co-facilitated by the Bureau.

The TWG should be comprised of the following:

Data Management Role	Role Description	Proposed Position/ Designation
Assessment Focal Persons	<ul style="list-style-type: none"> <li>Serve as the main link between BEA and basic education institutions (public and private elementary, junior, and senior high schools)</li> <li>Lead the administration of the national assessment</li> <li>Manage the ICT equipment operations</li> <li>Program the AS variables into the OMR software</li> <li>Provide ICT-related assistance to the Data Processing Team</li> </ul>	<p>[Overall lead within the RO] Regional Testing Coordinators (RTCs)</p> <p>[Overall Co-Lead within the RO] Regional Information Technology Officer (RITO)</p> <p>[Lead within the SDO] Division Testing Coordinator (DTC)</p>
